Össur®, the company that makes advanced performance prosthetics for the world’s most elite amputee athletes, partners with the Challenged Athletes Foundation® (CAF), the organization that gets you started and keeps you going, to bring you a specialized workshop designed to enhance leg amputee performance in sports and recreational activities.

Renowned experts in amputee running and training Bob Gailey, PhD, PT and Peter Harsch, CP will teach you how to run like a champion or simply improve your multi-directional mobility.

Learn skills like:

- Leg over leg running
- Proper running techniques to improve speed and balance
- How to maximize prosthetic capabilities
- How to run in multiple directions for sports and other recreational activities
- Training techniques and sport specific exercises

Experience a day to:

- Make new friends and find a training partner
- Be a part of an unforgettable CAF experience that is changing lives around the world

ALL AGES AND ABILITIES ARE WELCOME.
REFRESHMENTS WILL BE PROVIDED.
NO COST TO ATTEND THE EVENT.

This program is presented in cooperation with the Master of Science in Prosthetics and Orthotics program at Georgia Tech
